Thank you for participating in the Celebration of Trees event this holiday season. Your tree, topper or archway will bring you and yours to the square this year as we celebrate 70 years of quality healthcare in Hancock County. Sponsorship will go toward your tree, topper, arch and lights. Any extra funds collected will go toward the "Together We Grow" campaign supporting the Memorial Hospital Foundation Endowment. Please join us in celebrating 70 years of Memorial Hospital at our Celebration of Trees!

Please contact Greta Wetzel at 309-221-7286 or Jennifer Garner at 217-357-8568 if you would like to help set up the trees or have any questions or concerns.
