Parade participant information:

The Parade lineup will take place on THURSDAY, DECEMBER 1, at 6pm on Main Street in Carthage and proceed to the square. We will line up entries as they arrive. The parade will begin at 6:30 pm. You may unload if needed at the former AC McCartney Lot or The Legacy Theater parking area beginning anytime after 4pm. Tractors, Trucks, Side By Sides, and anything on wheels are welcome to participate. Equipment must be able to navigate cars on the square, and make sharp turns around the square and at the end of the parade. All entries MUST have some sort of Christmas tree lights on the entries. The more, the merrier. Please include a sign with your name/business on your entry. WCAZ will be reading these signs on the north side of the square. Please plan accordingly in order for them to see your sign. Throwing candy is not allowed due to the evening parade timeline. This is for safety reasons. Please contact Greta at 309-221-7286 or email at gwetzel@mhtlc.org for questions or more information. Thank you for making this holiday season brighter for our healthcare team!

Please read and sign:

I will not hold the Lights of Joy Parade Committee or any other person connected with the parade responsible for any accident or injury. I understand that the committee reserves the right to remove any paraded entry that is in non-compliance with the parade rules and regulations.
